80-Year-Old Woman Slain

'Hex' Death Brings Charge of Murder

GENESE, N.Y., May 13.—(AP)—John Manicello, 65, today was charged with first degree manslaughter in the "hex" death of 80-year-old Mrs. Ida Calio.

The gardener is charged with choking Mrs. Calio with a cloth over her face and strangling her.

A plea of innocent was entered and no date was set for the hearing.

District Attorney George D. Newton said Manicello signed a statement declaring Mrs. Calio cast a spell on him four or five years ago and that since then he had experienced poor health and other misfortunes.

MR. NEWTON QUOTED the gardener as saying Mrs. Calio told him his leg and back aches would continue until he bought a stove for her. In his statement Manicello declared he bought the stove, Mr. Newton said, and was still making payments on it, but the pains continued.

Appears in Ottawa

Alleged Spy Chief

Elects Speedy Trial

OTTAWA, May 13.—(CP)—Gordon Lunan, 30, alleged "head" of a group of Russian agents, today elected speedy trial before a county court judge on espionage charges.

TENTATIVELY, his date of trial was set for May 31. He was the fifth to elect speedy trial, among 12 persons charged here with spy activities.

In Ontario supreme court, Chief Justice J. C. McRuer listened to argument by defence counsel for a change of venue or adjournment of the hearing of Edward W. Mazerall.

The chief justice declined both. Mazerall was the first to appear among a group of alleged agents of the Soviet Union who were to be arraigned this morning.

A 30-year-old native of Fredericton, N.B., Mazerall was charged with breaking the official secrets act and of conspiring to break that act.

R. A. HUGHES, defence counsel, said the "widspread adverse publicity and its effect on the people of the county of Carleton supported his appeal for a change of venue.

Montreal Gunman

Caught on Street

MONTREAL, May 13.—(CP)—Montreal's most intensive manhunt in its recent years ended Saturday night when Jean Marquet, 27, ran out of the luck that brought his uncaught through four gun battles with the police and was captured by a lone detective at a busy north end street corner.

HIS CAPTURE came in the form of a surprise. Marquet, in criminal Louis Arthur Levesque, 23, was on the previous day, critically wounded in the chest after opening fire on the police when trapped in a building here last night was still described as serious.

Sgt. Detective Joseph Bedard made the arrest that climaxed a dramatic week in police history. He recognized Marquet among the crowd of the underworld, known as "The Boss," who had been seen in the city since his escape from the prison at St. Lawrence and moved up to his side, his gun drawn.

"Take your hands slowly, 'Ti-Mine,'" the detective ordered. "Don't make a false move or one of your hands will be here and I won't be. I have a gun on you."

Brunet, known as "Ti-Mine" in the underworld, hesitated a minute, then raised his hands. Bedard slipped handcuffs over his wrists.

May Soon Release

Slaying Suspect

MINAKI, Ont., May 13.—(CP)—The Ontario provincial police, in charge of investigation into the abduction and slaying of a three-year-old boy, Minaki from Winnipeg, today said a 57-year-old man being held in Hastings, Man., and whom he had questioned over the week-end, probably would be released shortly.

Six of Family

Killed in Wreck

TUNICA, Miss., May 13.—(AP)—Six members of a Memphis family were killed in an automobile collision here last Sunday. The dead are James Adkins, 52; his son, Will, 19; his daughter, Melba, 12; his daughter and son-in-law, Mr. and Mrs. Robert Shearer, and their infant child, Patricia, five months old. The only other occupant, Adkins' wife, was in "fair" condition.

Cloudy, Fairly Warm

Weather is forecast. An estimated high temperature of 55 above, coupled with cloudy skies, were the principal features of the weatherman's offerings for Edmonton and district Monday, according to the Dominion weather office. The reading at 9 a.m. was 49. High temperature Sunday was 49. At 4:30 p.m., low was 35 at 5:30 a.m., while the overnight low was 32 at 5:30 a.m. Monday. Sun rises Tuesday at 4:58 a.m. and sets at 8:23 p.m.

A cold front pushing southward brought unseasonable rain to Calgary, Lethbridge, Medicine Hat and intermediate Alberta points during the night and today. It was still snowing in Calgary though the flakes were melting as they fell.

Foster Puppy

To Take Place

Of Dog's Doll

HOUSTON, Tex., May 13.—(BUP)—Tillie, the psycho terrier who adopted a rag doll when her litter of pups disappeared, soon will get a foster pup.

Sad-faced Tillie gave birth to six pups 10 days ago and an hour later they had disappeared and in their place lay the rag doll.

For the next week Tillie bathed the doll frequently, refused to eat or drink unless it was beside her and carried it on her infrequent trips from her box in a garage.

Apparently deciding the doll was dead, Tillie buried it Saturday night. Yesterday she dug it up and resumed her motherly care.

Tillie's owner, Mrs. J. S. Smith, today planned to present Tillie with a pup, a Boston bull terrier.

No Serious Loss

Many Small Fires

In Alta. Bushland

Many small fires have broken out in Alberta's bushland, though losses have not yet been serious, according to F. W. Neilson, chief timber inspector for the province, Monday.

ONE OF THE MORE serious blazes now being battled by departmental crews and bulldozers is at Blue Ridge, in the north. This fire is covering a big area, the timber inspector says.

It was previously announced that a fire in the Whitecourt area was under control, but Mr. Neilson revealed Monday that though the fire is still burning, it is considered to be under control and is expected to soon abate itself.

In the Grande Prairie district fire has broken out near Tupper Creek, said Mr. Neilson.

There are several blazes in the Edson area, the largest being south of Grande.

Others, all of a minor nature, have been brought under control in the Peace River district, as have many blazes in the Lesser Slave area bushland.

Numerous grass fires in the west have been reported. Settlers are not using much discretion in starting fires, Mr. Neilson commented.

New Hospital Wing

Opened at Killam

Exclusive to The Edmonton Bulletin. KILLAM, May 13.—Official opening of the new wing of the General Hospital here last night was attended by representatives of the Killam district board of health, municipal officials, the clergy and hospital officials. More than 500 persons attended the ceremony.

THE NEW WING was erected at a cost of \$75,000 and is completely modern. There are 16 beds and an operating room provided with the upper part of the building.

Taking part in the ceremony were: A. U. Lebel, president of the local area board; Father McCarthy, pastor of St. Mary's; Mr. C. P. Hayes, reeve of the Killam district; and Mr. W. B. Carlton, M.P. for the district.

Exiled Spanish Leaders to Give Report

Charge Franco, Nazis Work on Atomic Energy

NEW YORK, May 13.—(AP)—The Spanish government-in-exile today charged the Franco regime is threatening world peace by working on atomic energy with the aid of German scientists.

THIS STATEMENT is contained in one of the documents which Dr. Jose Giral, premier of the government-in-exile, brought from Paris for presentation to the United Nations sub-committee investigating the Spanish question.

Although the 350-page report still had not been presented to the United Nations this afternoon, it was learned from a reliable source it contained a statement that atomic research was being carried out by two Spanish cities—Granada and Murcia.

The report, which Dr. Giral said would be submitted "within the next 24 hours," also said that: 1. Francisco Franco is maintaining a huge military force, a large part of which is massed on the French frontier.

2. THE FRANCO regime is not only arming its army but also is employing many former Gestapo agents in its ranks.

58 Nazi Operators

Of Prison to Hang

DACHAU, Germany, May 13.—(AP)—A general military court today sentenced 58 operators of the notorious Mauthausen extermination camp to hang. Three others were given life terms. The 61 defendants were sentenced after the United States court found them guilty of murdering thousands of Jewish prisoners and of participating in persecution campaigns. The court called the defendants one by one to hear their doom. This parade lasted 45 minutes.

No Agreement on Independence

India Conference Ends

In Complete Breakdown

SIMLA, India, May 13.—(AP)—The British cabinet mission, admitting failure of an eight-day conference with Moslem and Hindu leaders on independence for India, made it plain today it still has hopes of solving the problem. The conference ended in complete breakdown yesterday.

TWO COMMUNIQUEs—One jointly by the cabinet mission, the Moslem and Hindu leaders, and the other by the cabinet mission alone—gave no reason for the collapse of the talks.

It seemed apparent, however, the conference had foundered on demands of the Moslem league for an independent Moslem state (Pakistan), bitterly opposed by the Congress, which favored an India unified at least insofar as foreign affairs.

Fail to Find Body

Man Plunges From High Level Bridge

Key waters of the North Saskatchewan river were being searched Monday for the body of a mid-aged man who plunged to his death from the traffic deck of the High Level bridge about 8:15 p.m. Sunday. Police stated that the man was believed to be Walter Poole of Edmonton, about 48 years old.

THREE PERSONS watched helplessly Saturday afternoon as a man calmly folded his coat, placed it on the handrail of the east sidewalk and then walked over the railing into the river.

Mr. and Mrs. Goullian Evans, Port Saskatchewan, were driving south on the bridge about 5:15 p.m. Sunday. Mr. Evans noticed a man standing on the east sidewalk of the bridge with a coat over his head. He called out to the man, who then vaulted over the railing and fell into the water.

Mr. Evans stated.

The fatal fall was witnessed also by Hugh S. McCowan, 10519 Sawing Drive, who stated that the man fell into the water about 8:15 p.m.

Heavy Fire Loss

At Lloydminster

LLOYDMINSTER, May 13.—Fire of undetermined origin early Sunday raged the Reliance elevator on the east side of the railway tracks, \$300 worth of new equipment, twisted the spur line adjoining the east side of the tracks.

THE BLAZE was fanned by a strong southeast wind. Unfiring efforts on the part of the fire brigade and fire citizens, equipped with a light rain that damped the flames, failed to stop the fire.

When the fire broke out, the elevator hung about 2500 bushels of oats and 1500 bushels of wheat in addition to about \$500 worth of stored grain seed.

CAREFUL WATCH was being maintained Monday on piles of grain which were still smouldering.

Gold Seeker

Is Believed Successful

Believed to have been successful in his quest to obtain a piece of gold from the Salmista mine, 150 miles northeast of Yellowknife, Herbert Hollands, Los Angeles veteran, was due to arrive in Edmonton some time Monday by CP Air Lines from the north.

Hollands is fulfilling terms of a Truth of Consequences radio contest and will be paid \$1,000 in cash if he returns to Los Angeles with the gold by Thursday night.

Hollands is accompanied by Bob Reid of the radio program, "Mike McRae's Russian Adventure," on his return trip.

The party had difficulty getting away from the Salmista mine because of the ice break-up, and three planes made a "rescue" flight before the radio contest winner returned to Yellowknife.

Huge Fire Funeral

For Hunger Striker

DUBLIN, May 13.—(CP)—Left-wing Republicans and Irish Republican army sympathizers turned out in full strength Sunday for one of the biggest funeral processions ever seen here—that of John McCaughey, 32-year-old former "adjutant" of the hunger strikers, who died in Mayborough prison, near Cork, Eire, early Saturday after a 22-day hunger strike.

McCaughey's former IRA colleague, David Fleming, who has been in the hunger strike for 32 days, is a Belfast prisoner, was reported "extremely weak" but not in immediate danger of dying.

Both men started their ordeal in protest against their treatment as criminals, claiming that what they should be considered political prisoners.

LT-GEN D. C. EMMONS

To Washington

U.S. Gen. Emmons
Stops Here Briefly

On his way to Washington by air, Lt. Gen. Delos C. Emmons, commanding general of the Alaskan Department of the U.S. Army, paid a brief visit to Edmonton Monday and made a courtesy call on Maj. Gen. F. F. Worthington, CBE, MC, commanding Western Army Command of the Canadian Army.

General Emmons was accompanied by Roy Howard, president of the Scripps-Howard newspaper chain in the United States.

The general, jokingly referred to Mr. Howard as "my press agent." Mr. Howard is very proud of having shot a Kodiak bear while in Alaska with the general.

Headquarters of the Alaskan Department is at Richardson Field, Anchorage.

SHORTLY AFTER Pearl Harbor, General Emmons was placed in command of the Hawaiian Department and he served in the Pacific theatre of war until appointed successor to the late Lt. Gen. Simon Bolivar Buckner, as head of the Alaskan department.

General Buckner was killed in the battle for Okinawa. Lt. Gen. Emmons left Monday morning by army plane for Washington.

Negro Abduction
Perplexes Police

CHICAGO, May 13.—(AP)—Police admitted they are perplexed as to motive for the reported abduction of Edward P. Jones, 48, wealthy negro, alleged one-time numbers racket king of Chicago. Police chief Ray Crane said he first believed, after Jones' wife, Lydia, reported her husband had been kidnapped from an automobile on the south side Saturday night, that Jones was being held for ransom. But since no ransom note has been received, Chief Crane said, "it seems likely the kidnapers had another object, but I haven't been able to learn what it is."

Shooting Joke
Ends as Tragedy

MONTREAL, May 13.—(CP)—A joke of a week ago ended in tragedy Saturday when Jean Guindon, 29, shot while demonstrating to companions how he would commit suicide, died in hospital from a bullet wound in his head. While visiting his fiancée May 4, Guindon picked up what he thought was an unloaded revolver, placed it against his chest and pulled the trigger twice. Nothing happened and he held the gun to his forehead, firing the shot which brought about his death.

Maj. Vernon, who last week restricted himself to less than 1,000 calories daily, said he had lost weight, but felt "perfectly fit."

German Witness

Says No Pre-War Plans
To Fight Britain's Navy

NUERNBERG, May 13.—(AP)—Admiral Gerhard Wagner, former chief of the Nazi naval command staff, testified before the international military tribunal today that the German navy drafted no pre-war plan of operations against Britain "because such a war appeared absolutely hopeless."

THE WITNESS, who appeared in behalf of Grand Admiral Karl Doenitz, former naval commander-in-chief, said Britain's sea might was so overwhelming that submarine warfare "was the only means we had to damage England, and it was not given preferential treatment in pre-war planning."

At a result, he continued, Germany entered the war with only

Demand Release
Of Hunger Striker

BELFAST, May 13.—(CP)—Members of the Northern Ireland house of commons and senate yesterday spoke at mass demonstrations demanding release of David Fleming, former member of the illegal Irish Republican Army now imprisoned here, who has been on a hunger strike for 32 days.

THE LABOR government rapidly is trimming the areas policed by British troops and is making concessions to Empire segments, in which rising nationalistic feelings offer the alternatives of full freedom or possible revolt.

One Empire official has said that leaving Egypt would have a "disintegrating effect" on the whole Empire and Commonwealth. Winston Churchill angrily told the House of Commons last week that the flanks of the empire-linking Suez Canal were being "thrown away with great shame and folly."

But the government appears to be following a policy adopted by C. D. Deane, Britain's leading Socialist thinker.

Mr. Cole, in a pamphlet published last month, urged the government to make "a clear-sighted acceptance of the waning of British power."

A REALISTIC foreign policy for Britain, Mr. Cole said, means taking a long look at Britain's world obligations and making "A conscious attempt to liquidate enough of them to leave the rest bearable and within our means and, on less, an attempt to share such of them as can be shared."

Paralleling that policy the government in less than five months has:

Told India it can be independent. Proposed to uproot its 64-year-old military hold in Egypt.

Offered three African mandates, allowed it by the League of Nations, to the United Nations.

Given independence to Trans-Jordan, another mandate.

Called on the United States to share the problem of Palestine.

BUT IN ALMOST every instance, the ties of trade and of military alliance still would remain usefully strong.

For instance, a condition for getting out of Egypt is agreement on an alliance under which Egypt would have the job of keeping up air, naval and military bases in Britain would have facilities in the event of war.

Britain also has urged India to remain within the empire framework by becoming a dominion. But even if India elects full independence, the ties of trade would remain.

By piling up a big British debt to her during the war, India is in a position where British officials have said much of the debt—amounting to hundreds of millions of pounds—must be repaid through British merchandise.

Egypt, Prime Minister Attlee said, would be treated as a "equal nation."

Suspend Issuing
New Auto Permits

OTTAWA, May 13.—(CP)—The motor vehicle controller has suspended the issue of priority certificates for the purchase of new automobiles until June 1, because of continuing low production and large number of certificates issued up to April 30, Reconstruction Minister Howe announced Saturday.

Meanwhile, application to rationing officers would be handled in the regular way, except that those qualifying will not be granted certificates until after June 1.

MR. HOWE said manufacturers' original production estimates had been "greatly affected" by international labor conditions.

A situation has thereby developed where the total number of priority certificates already issued greatly exceeds domestic deliveries of motor vehicles to dealers, and to level off supply and demand, this action had to be taken," Mr. Howe said.

Fort Assiniboine Can't Help Movie
Snow in May—But No Oxen

Exclusive to The Edmonton Bulletin

FORT ASSINIBOINE, May 13.—This northern settlement may have snow in May (one night last week a light fall was recorded) but it definitely hasn't got a team of oxen. That fact was discovered by Hollywood's Paramount Pictures this week when representatives of the movie-makers made inquiries here for a yoke of oxen to be used in a picture starring Bing Crosby and Joan Fontaine, scheduled to get under production at Jasper Park this summer. A canvass of the district was made last week—the result is that Hollywood now knows that farm work in this area is nearly all done by machinery.

Veterans Invent
Super Bug-Bomb

TORONTO, May 13.—(CP)—

An insecticide bomb—or as its inventors describe it—a simple, hand-operated, foolproof "bug blitzer" is the ultimate in unique inventions of ex-service personnel, turned civilian producers.

Here in Toronto, three former air-force officers have produced, from surplus shell casings and a mixture of aerosol, DDT, pyrethrum and freon liquid gas, a deadly missile that should have

as potent an effect on moths, cockroaches and mosquitoes as the famous "blockbusters" had on various German cities. The former air-force officers are E. J. Black, Harry Clappison and Dr. J. H. Bailie and their invention was made possible by knowledge gained by the men while in uniform.

Banker Retires

Statements Said Close to Sedition

Claims Japs Don't Have to Obey
All Orders of Gen. MacArthur

By ERNEST HOBERECHT

Exclusive to The Edmonton Bulletin

TOKYO, May 13.—(BUP)—

Dr. Ichiro Kiyose, chief counsel for former Premier Hideki Tojo and 27 other suspected war criminals, asserted today that the Japanese people do not have to obey every order issued by supreme commander Gen. Douglas MacArthur.

HIS STATEMENT came during a general attack on the jurisdiction of the international military tribunal trying the defendants and drew an angry retort from chief prosecutor Joseph B. Keenan.

"I suggest to the tribunal that we have heard discourse from this counsel that is very close to sedition," Keenan declared.

Shaking a pair of black-rimmed glasses and pounding on a table to

emphasize his points, Kiyose based his argument on the point that Japan had signed a conditional surrender.

"Only the armed forces of Japan surrendered unconditionally," he argued. "The unconditional portion does not apply to the government or the people. The Japanese people have to obey the supreme commander only in matters covered by the Potsdam declaration."

KIYOSE SAID THAT MacArthur could issue orders that the emperor was obligated to carry out only on specific items covered in the Potsdam declaration.

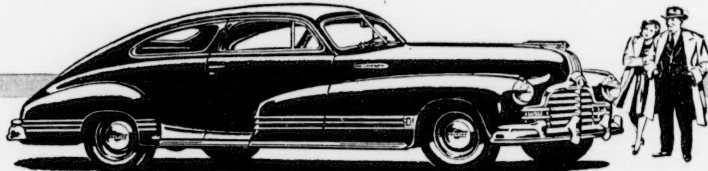

Kiyose claimed it would be for the good of civilization if the indictments against the defendants were dropped. He cautioned the Allies not to break any treaties themselves in their actions before the court.

Kiyose upset the arrangement made for interpreting his speech by speaking both English and Japanese. On two occasions he shouted into the microphone when Keenan tried to get the floor away from him.

KEENAN DECLARED that the surrender of Japan was "without condition." He turned a bright red as he faced the defendants' box and asked: "Are the perpetrators of war, murder and plunder to go free?"

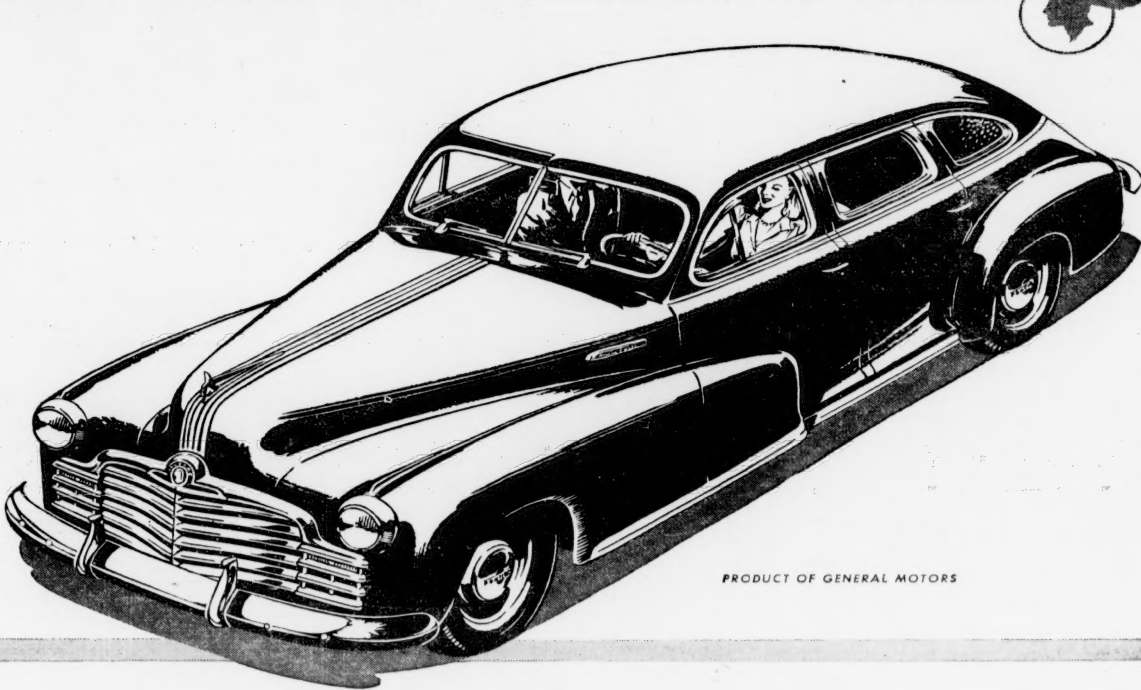

He insisted that the court had the right to try them. "The tribunal, suggested that Keenan's 'rhetorical language' was at the moment out of place. The American prosecutor replied that he felt strongly about the matter and that he was not going to let 'a lot of false assertions' go unanswered."

The tribunal ended the legal wrangling on the court's jurisdiction and said it would take the matter under advisement with a ruling to be announced later.

ROOT VEGETABLES

The root vegetables begin to come into their own at this season of the year. They are useful in the diet in any locality but are especially valuable on Northern farms and in small communities where the supply of other vegetables falls off as cold weather approaches. The main advantage of such vegetables is that they keep. In addition they are usually low in price. The four root vegetables most commonly used are carrots, beets, turnips and parsnips. Others which may be used are celeriac, rutabagas, and celeriac. The carrot is an excellent source of vitamin A, and is a good source of vitamins B and C. It has earned a popular reputation as a complexion-beautifier. It supplies a number of essential food minerals in varying amounts, containing for example, both iron and calcium. The younger the carrot, the more tender it will be and the more delicate the flavor. The very small carrot is so low in starch that it may be classed with the non-starchy vegetables. In the more mature variety the carbohydrate content runs about 9 per cent, but may go as high as 12 per cent. Carrots may be used both raw and cooked. The baking method which will shortly be described for cooking beets may be used with carrots with excellent results. The red beet which is commonly used as a table food may contain considerable sugar, from which the beet gets its attractive slightly sweet taste. The beet provides many food minerals containing all of the following: Magnesium, iron, fluorine, manganese, potassium, sodium, calcium, phosphorus and chlorine. When fully grown, beets should be classed with the starchy vegetables. Beets are often boiled whole in a great deal of water, and in a food grinder and place in a food baking pan to a depth of 1 or 2 inches. Cook in a moderate oven for 10 minutes, or until done. An agreeable flavor is added if the cooking is continued until the top is browned. Add butter and salt, if desired, when the beets are being eaten. You will find this baking method will develop a very agreeable flavor. Try mixing various vegetables, such as beets and parsnips, or turnips and carrots, and using this new way of preparation. All questions regarding health and diet will be answered. Large

Subsidy on Retail Milk Unaffected

OTTAWA, May 13.—(CP)—The current subsidy of two cents a quart on the retail price of fluid milk is in no way connected with subsidies which are under discussion between milk producers and the government. Prices Board officials said today. The producers recently lodged complaints with the government against a reduction in subsidies which was effective May 1. The subsidies, which reverted from winter to summer rates, are paid by the agricultural department. The two-cent subsidy, on the other hand, is a Prices Board subsidy paid through the Commodity Prices Stabilization Board.

THE LESS IT SHRINKS · THE MORE WE'LL EXPAND

Little business grows big by little improvements—and much planning. The makers of woven goods used to say of their product, "The less it shrinks, the more we'll expand." And now comes news that new process is being developed to make woollens 90% to 95% unshrinkable.

Here's yet another example of that improvement which constitutes progress... yet another step forward in the progressive realization of the aims of Canada's Textile industry... which includes many small enterprises as well as the large, nationally known organizations... more than 1900 plants employing about 160,000 Canadians. It's an example chosen at random, but typical of the progressive improvements in Canadian enterprise.

The Bank of Toronto offers credit service designed to meet the needs of small as well as large businesses in this time of transition and reconversion. Your own plans almost certainly include a financial program which we cordially invite you to talk over with us.

Mysterious Case Of Banker Closed

VANCOUVER, May 13.—(CP)—The mysterious case of Henri Barthe, millionaire head of the Banque Franco-Chinoise, was officially closed Saturday.

CHIEF CONSTABLE A. G. McNeill issued the following joint statement on behalf of city and Royal Canadian Mounted Police: "Unless there should appear in the future some reason to the contrary, we feel that further investigation in this case is unnecessary. "Our investigations indicate that the man fell overboard from the freighter Samovar on April 17." Bar was en route from Shanghai to Paris with a treasure of Oriental jewelry and art objects of an estimated value of \$250,000 when he mysteriously disappeared from the British freighter four days out of Vancouver.

WITH BAR DISAPPEARED four exotic jade necklaces which he claimed were worth a fabulous fortune in themselves. Disposition of the 24 teakwood cases containing Bar's collection is a problem which authorities will have to untangle at a later date.

Only surviving relative of the missing banker is a son, Claude, last reported in Paris and preparing for a visit to Vancouver to settle his father's estate.

CANNED BUFFALO MILK
 LAHORE.—(CP)—The military dairy farm in Lahore is the first factory in the world to produce canned buffalo milk. A similar factory has been established at Okara, and the Indian Army's total productive capacity of canned milk is now 3,250 tons a year.

the secret of superior salads

Quick Cole Slaw
 Combine 1 cup finely shredded cabbage, 1 green pepper, 1 onion, 1 sweet red pepper cut in strips, few drops onion juice, 1 teaspoon salt, 1 tablespoon sugar, dash pepper. Mix 5 tablespoons mayonnaise with 2 tablespoons Heinz White Vinegar. Pour over cabbage. Mix well. Serve in lettuce cups or salad bowl. Serves 8.

For salad insurance choose the real vinegar you can buy, just as you can buy the best fruits and vegetables. That's the way to protect and enhance flavor.

THERE IS NO BLOOD IN THE BRAIN

When people talk about blood rushing to their brains, they are talking nonsense, according to Dr. Igo Goldstein, M.D., who said any medical doctor knows that there is no blood actually in the brain at any time. Blood does not come into direct contact with the brain at all. An elaborate network of filters and channels draws off the cerebrospinal fluid from the blood and if there was no contact from police is this fluid that circulates through the brain, as well as the spinal cord. This is a colloid fluid, not a blood, to cut a diamond.

Third Vagrant Held in Slaying

WINNIPEG, May 12.—(CP)—A third vagrant was reported in custody last night as police continue investigation of the slaying of three-year-old Joan Smith at Minaki, Ont., eight days ago.

Two of the men are reported held in Winnipeg, and the third at Kenora, Ont., and all are to have been in the Minaki district at the time of the slaying.

Inspector T. R. Wright of Toronto, head of the Ontario provincial police, investigators, was in Winnipeg during the week-end and is reported to have returned to Kenora late today.

Headling provincial jail where one of the vagrants is held, but there was no comment from police following the interview.

Only a diamond is hard enough to cut a diamond.

The Bulletin's SPORT SHOW by Hal Dean

SPORTS EDITOR

FIVE colts, one only a few hours old, and four yearlings, beside of course front Sheldah Joe, present "head man" at Cloverdale Stock Farm, were the magnet which drew several visitors on Sunday to Jack Glover's hacienda a few miles northwest of the city.

And the president of the Edmonton District Thoroughbred Society, who resided in the city, arrived before the present arrival being a 1946 crop of potential Canadian Derby winners, not forgetting the promising quartet of youngsters which have just another year to romp before going off to the races.

Yes, the Somers sisters, Eva Marie and Miss Somers—all full sisters, incidentally—were entertaining yesterday, but with a watchful eye over their new progeny. Marlon Somers, a name well known in western racing circles, is another full sister of this trio.

HU QUEEN'S COLT and Eva Somers' filly both just a month old, were comparing sprint speeds—throughout the day—on the racing career at an early date—as Jack and this operator started across the pasture for a closer inspection.

The Hu Queen colt, very friendly and full of mischief, was all for climbing into the editor's pocket forthwith. The filly was a trifle more reserved, but also apparently unduly fond of the couple of new playmates had arrived. Miss Somers' and Marlon's little girls are only a week old, but while both are to be friends—with reservations.

Inter-Club Golf Opens Mayfair, Highland Teams Lead McMullen Cup Play

Mayfair and Highlands got the jump in the inter-club golf playoff for the McMullen cup Sunday when both the "A" and "B" teams from those two clubs bested their opponents. The event resumes next Sunday.

The two Highland teams, playing against Municipal, made an outstanding showing, both picking up 42 of a possible 50 points. The "A" crew marked up all but eight of the possible at Municipal and the "B" squad did the same only at the home course.

Henry Martell and D. Williams led the Highlands A's by taking the entire 10 points while playing against Leo Leclair and J. McDonald. The other combinations marked up nine, while Leo Williams and Bill Gostick of Highlands split the 10 with Walter Ewenson, Sr., and Jack McDermott.

TWO COMBINATIONS of the Highlands "B" team made their objective, Bob Kidd and John Chapman, and Jack Lees paired up to count 10 and so did John Glasgow and Jack Mather.

R. Jones and H. Drever made the best showing for the Municipal "B" lineup, splitting the 10 points with Walter Ewenson, Jr., and B. Johnson.

Out at Country Club the Mayfair "B" team made the best showing of the day, almost completely outclassing the home club's "B" representatives and take 46 of the 50 points. The Clarence Richards-C. Smith and K. Perle-J. Harvey pairs each came through to pick up 10.

Closest competition of the day was at Mayfair where the Country Club "A" team was the victor. The Mayfair crew counted 33 to Country Club's 17. Ted West and Bill Broadfoot and L. Greer-Ed. Thomas combinations were the best for the Mayfair "A" gang, both picking up nine points. West and Broadfoot finished three up and two to go over Percy Daigle and Bill White and halved the bye for their time, while Greer and Thomas wound up two up and one to go and also halved the bye.

Legionnaires and Dainty Cakes Take Men's Curtain Raisers Fastball Season Opens at Kingsway Park

Walk-Rites Start With 5-2 Victory

By DON KILLIPS

Fastball got away to a flying start before crowds totalling close to 1,500 at Kingsway Park over the week-end with three of the 15 clubs which will be playing there making their 1946 debut a successful one.

Murray Saldman's Walk-Rites captured the City Senior Girls' Fastball League opener Saturday night when they overcame Ken Mc-Auley's Mortons to win 5-2 behind the four-hit pitching of Betty Carver, last season's pro club in the Chicago glamour loop. Central-Legionnaires and Dainty Cakes were the two successful clubs in the senior men's opener Sunday afternoon, the former defeating Swifts 3-1 in the curtain raiser and Dainty Cakes handling the USAF club 5-3 setback.

THE PARK was officially opened on Saturday night when Mayor Harry Ainlay pitched the first ball, the mayor moving only to have Men's team captain Reg Jennings did the batter, Mickey McGuire was the other half of the battery.

The ball in both the Saturday night opener and the Sunday afternoon clash was pitched very early for so early in the season and the fans were treated to several thrills.

Two runs in the bottom half of the sixth inning broke a 2-2 tie and gave the Walk-Rites their margin for victory. Mortons were ahead twice, but each time the winners came back.

THE GIRLS in the green and yellow uniforms grabbed the lead in the first inning when Kay Lyons made first on an error at second. The girls came back to win on a sacrifice and crossed the plate on another error.

Minnie Wilson got that one back for Walk-Rites in the second to make it 1-1 when the singled and went the rest of the way around on Fran Zavitz's triple to right field only to have Mortons come back to move out front again in the top half of the fifth.

TWO ERRORS and a wild pitch sent Don MacLean around the sacks for the losers' second run, but then the Walk-Rites came back to tie in the bottom of the fifth to tie it up. Jean Beatty scored the tying run when she slammed out a home run, but came home on an infield error.

Walk-Rites didn't stop with tying it up this time, though, and went on to win by adding two in the bottom of the sixth and another in the eighth. Two more mistakes, a wild pitch and a double by Fran Zavitz sent Minnie Wilson and Ruth Brackman around the sacks for Walk-Rites' two important runs that broke up the game.

SWIFTS CUT the margin in the bottom half of the same inning when Benny Klingspoon got the only extra base play of the contest as a double to center—reached third when Art Delmar sacrificed and scored when Lalonde filed out to center.

Long marked up the other Legionnaire run in the eighth when he surprised the fans and he got his club's only hit—a single in shorts—sent to second on a passed ball and reached third on a wild pitch.

FIVE RUNS in the first two innings were enough to give Dainty Cakes their initial victory. The fast entry in the men's loop came blasting through in its first time at bat for three runs and then after the eighth inning counter on a walk, an error and a sacrifice hit.

The losers added another in the last of the ninth, but Central stopped them before any serious damage was done.

ASSAULT WINS AGAIN: Above is shown the Pimlico race track where Assault (in-fan) winner of the Kentucky Derby, May 4, captured the historic Preakness Stakes, second event in triple crown and oldest turf fixture in the United States, on Saturday by edging out Lord Boswell. In winning the second event of racing's "big three", Assault picked up a cheque of \$99,080 to give his Texas owner a total of \$195,520 for the two events. His total earnings now are \$235,900.

Hampden Finishes Third Assault Out-Runs Lord B. To Capture Rich Preakness

By SID FEDER

BALTIMORE, May 13.—(AP)—Assault committed murder again in the Preakness Saturday, just as he did in the Kentucky Derby a week ago.

The club-footed comet from Texas (turned on the steam after three-quarters of a mile at Pimlico Track and hustled home a neck to the good in this richest race in history before the greatest throng ever to see a horse race in Maryland, 42,370. Time was 2:01 2/5 for the 1 3/16 miles race, slowest Preakness in nine years.

Assault paid \$180, \$310 and \$220. Lord Boswell, coming in second, paid \$310, \$160 and 20, with the Texas Terror.

And Hampden, the Delaware Dandy, piloted this time by Eddie Arcano, king of the ringer, closed up to third, four lengths and a neck away. But Hampden was a wearying finish.

THERE WERE NONE of the alphas for any of the others this time as there were at Churchill Downs. The sleek, sturdy Lord Boswell was running clear all the way, and he kept making the stretch to come from next to last in the field of 10 to wind up second, he wasn't good enough to overhaul the Texas Terror.

And Hampden, the Delaware Dandy, piloted this time by Eddie Arcano, king of the ringer, closed up to third, four lengths and a neck away. But Hampden was a wearying finish.

IN THE FIRST GAME Sunday, Swifts' Bill Onychuk held Legionnaires to one hit, but his lack of control cost him the game. He pitched out seven batters, but in his wildness put 12 players on base by walks.

Legionnaires tallied two in the fourth inning and then clinched it by adding another in the eighth. The Gray brought in the first of the two in the fourth when he walked, advanced to second when Stan McCreedy's sacrifice hit him, and then another passed ball sent him home.

Joe Louis' Age Against Him?

By FRED MEIER

NEW YORK, May 13.—(AP)—Nine years ago come next month Joe Louis knocked out the 32-year-old Jimmy Braddock to win the heavyweight title.

Today Louis will be 32 years old himself, a fact which may or may not be significant when he defends his crown on June 10 in a return bout with challenger Billy Conn.

IT PROBABLY MEANS nothing to poked-faced Joe, now training at Camp Udon in England, but records show that virtually all former heavyweight champions lost later in life after they crossed the 30-year mark.

The great John L. Sullivan was 34 when he lost to Jess Willard; Willard was 36 when he was overpowered by Jack Dempsey and Dempsey was 31 when Gene Tunney outboxed him in Philadelphia 20 years ago.

There were two notable exceptions to this rule and Joe may be the third. Fitzsimmons was 35 when he took the title from Corbett and Willard was 32 when he knocked out Johnson.

Since Joe turned pro in 1934 he has fought 37 times, winning 48 by knockouts, seven by decisions and one on a disqualification. His lone defeat, a 12-round knockout at the hands of Max Schmeling, he argued with a one-round kayo.

Bowling Leagues' Titles Decided

Metropolitan Printing team from the Senior Men's League won the city championship for men's five-pin bowling leagues by compiling a score of 3,062 in the playoff at the city clubhouse on Friday night.

Printers of Junior Commercial League took the title for ladies leagues with 2,855 and Generals of Kenn's Service League finished in first place for mixed leagues with 2,825.

SEVEN MEN'S, six ladies' and 17 mixed leagues competed, three games being played, total pin counts being: Men's, 10,000; Ladies, 9,000; Mixed, 8,000.

Personnel of winning teams: Metropolitan: Walt R. and m. e. George, Hayes, Harry Gardier, Bee, Brissett, Wm. Hall, Printers: Molly Darks, Vera Smith, Eleanor Payne, Vicky Michels, Anne Roper.

Edmonton Cagers Defeat Red Deer

Edmonton Jays, of the Junior girls' basketball league and the South Edmonton Junior boys' basketball team, defeated Red Deer high school cage crews at Garneau school Saturday in a doubleheader basketball show.

The Jays, who defeated the Red Deer girls 28-13 in Red Deer April 30, handed them a 54-14 setback, while the South Edmonton-teams trounced their opponents 36-23.

DETROIT TIGERS won their seventh straight victory with score of 4-1 over Chicago White Sox, while Washington Senators made a 3-1 victory. Philadelphia after the "A" took the opener 6-4 and St. Louis Browns won the nightcap 7-3. Cleveland struggled through 10 innings to take the first 4-3.

IN THE NATIONAL LEAGUE Cincinnati Reds knocked St. Louis Cardinals out of first place by taking both ends of a twin bill, 4-2 and 5-1. Boston Braves took both ends of a two-game over New York Giants with 6-5 and 7-2 scores.

Brooklyn Dodgers pounded out a 13-4 victory over Philadelphia Phillies and Chicago Cubs defeated Pittsburgh Pirates 3-1.

AT NEW YORK Lefty Mickey Harris of the colored Sox and Spud Chandler of Yankees allowed only three safeties, but a misue by shortstop Phil Rizzuto and another by third baseman Hank Bijsch gave Boston two unearned runs and the game. Chandler started his own downfall when he walked center fielder George Metkovich and Johnny Rizzuto committed his first error when Gene Tunney outslung Metkovich to score.

A crowd of 20,445 saw Stan Spence and Gerry Riddle in individual displays at Philadelphia in scattered rain showers. Spence, who homered in the third inning, pitched two runs in the nightcap. Riddle edged one of the smartest pitchers ever seen here in the nightcap.

PAUL (DIZZY) TROUT spaced seven hits for his third victory of the year as Detroit downed Chicago. Tey Lyons, Chicago's 45-year-old pitcher, stayed the distance for the 27th straight time but allowed eight hits, four of them in the third inning. The Tigers counted three times.

A throng of 43,726 watched the Red Deer girls 28-13 in Red Deer April 30, handed them a 54-14 setback, while the South Edmonton-teams trounced their opponents 36-23.

FELLER ALLOWED nine hits and struck-out 12 bing his season total to 71 in 62 innings. The triumph was his fourth against three defeats.

Alte Reynolds shut out St. Louis until the fifth inning of the nightcap when the Browns drove him cover with a six-run assault. The loss was Reynolds' fourth straight against one victory.

IN THE NATIONAL LEAGUE Yogi Berra pitched his fourth victory against one defeat for the Dodgers at Brooklyn. Lefty Grove, who started for the Phils, yielded a run in the opening frame and was hampered off the mound in the second when Dodgers scored seven runs, one of them a home by Eddie Stevens. The victory for the Dodgers came in an many home games this year.

BIG BILL LEE was credited with driving in the winning marker in the extra-inning opener at Boston as he walked with Bases loaded by reliever Ken Trinkle. Lee gave up eight hits, including a home run by Johnny Mize, which put the Sox ahead temporarily in the 10th, and another by starting pitcher Bob Dove. Ray Sanders homered for the Braves in the opener.

MASTERS pitching by Ewell Blackwell and Bucky Walters was the major factor in the double victory at St. Louis. Lefty Grove, who started for the Phils, yielded a run in the opening frame and was hampered off the mound in the second when Dodgers scored seven runs, one of them a home by Eddie Stevens. The victory for the Dodgers came in an many home games this year.

King's Plate Is Highlight
Of Eastern Racing Season

By HARRY ECCLES
TORONTO, May 13.—(CP)—The racing strip at old Woodbine Park is fast, the sun is shining most of the time, and everything is ready for the annual transformation from an isolated park to a glamorous scene where thousands of people pack the stands to cheer brightly garbed jockeys driving well-known thoroughbreds to the finish line in historic races.

It's a week from Saturday when the bugles blow for the fourth race. The condition book calls it the 87th running of the King's Plate, oldest fixture run continuously on this continent for a prize of 50 guineas, the gift of His Majesty the King, with \$10,000 added by the Ontario Jockey Club.

Record at Montreal
Syracuse Cops Doubleheader
And Moves Into First Place

MONTREAL, May 13.—(CP)—Syracuse Chiefs, only International League baseball club to sweep both ends of a doubleheader during the weekend yesterday combined fine pitching and timely power to trounce Jersey City Giants 11-1 and 2-0.

Newark Bears split a two-game series at Rochester by winning the nightcap 3-1 after losing 4-1 to Red Wings, Buffalo Bisons and Toronto Maple Leafs split another double bill with the Queen City squad taking the opener 2-1 and losing the second 6-5. At Montreal, the Royals halloped Baltimore 12-1 and then were defeated 6-5.

MILLARD HOWELL hurled a one-hit shutout at Syracuse before 5,200 fans as he got stiff opposition from Lefty Sander who allowed only three hits. Two were home runs by Al Rubelling and Hank Sauer in the opener. Chiefs got four runs in each of the seventh and eighth after taking a 3-0 lead in the first. Sauer also hit a four-sacker in this contest, driving in as many runs.

THE LARGEST CROWD ever jammed into the Montreal Park—21,911—saw John Gabbard let Orioles down with five hits in the first game while Royals combed Stan West for eight runs in the first three innings. They scored four more off Lefty Swift who replaced him in the sixth. Red Wings hit three homers for Royals during the afternoon. In the nightcap Alex Ronay pitched steadily for Orioles, allowing them the even-split on the day.

A crowd of 9,748 saw Toronto's 19th Knickerbocker hit a home with one on in the fourth for Maple Leafs' victory over Buffalo.

China Splits in Davis Cup Play
COPENHAGEN, May 13.—(AP)—China's Davis cup tennis team, assured of victory in the first round of the European zone elimination series, divided two singles matches with the Denmark team Sunday.

A number of spectators turned out Sunday afternoon to watch the club's round-robin tournament in which Helen Carr placed first in the ladies' division, and Jim Hoyle took the honors in the men's class. Runners up in the men's and ladies' divisions, respectively, were Jim Hume and George Docherty, and Marjorie Forrester and Nora Collier.

Lesnevich Fights
Mills on Tuesday

BRIGHTON, Eng. May 13.—(AP)—Gus Lesnevich, the Clifton, N.J., battler, who owns the world light-heavyweight championship, can name the round in which he will flatten Freddie Mills, British titleholder, and then take on Bruce Woodcock, empire's heavyweight king—if you believe what you hear in his camp.

Lesnevich and Mills will tangle for 15 rounds or less in London's Harrington arena Tuesday.

Since the two began preparations for their bout Mills also became "world light-heavyweight" champion, the "U.S. world champ" and to Mills as the "English world titleholder."

Junior Chambers At Regional Meet

MEDICINE HAT, May 12.—(CP)—Don McKay of Calgary was elected executive director of the Alberta region of the Junior Chamber of Commerce, Sunday, at the annual convention held during the weekend. He succeeds E. A. Coupland, of Edmonton. Ron Roberts, Lethbridge, was named vice-chairman.

THE RESOLUTIONS committee passed only one resolution during the convention which expressed the opinion that the constitution now in force does not meet the needs of region two. It was resolved that the executive officers act at their discretion as far as possible in observance of the present constitution, with the assistance of a regional councillor elected by the executive of each member unit, until such time as a new constitution can be framed.

Sixty-seven delegates attended the convention, including representatives from junior boards of trade clubs of Calgary, Edmonton, St. Paul, Drumheller and Lethbridge. Mr. Coupland in his executive director's annual report praised the various clubs for their work during the past year, including Calgary's splendid job on new planning and beautifying Calgary campaign; the success of Lethbridge's film committee; the community service project of Drumheller, Edmonton's beautification and membership activities; the town planning efforts of St. Paul and Medicine Hat's public safety and civic betterment. Presidents of the various Jaycee Clubs in the province gave an outline of their group work during last year and many suggestions were exchanged among the units.

THE PROBLEM of having the 32 French speaking Jaycee clubs in Quebec represented on the national executive was discussed and national president Ed O'Connor announced that this question will be one of the main highlights on the agenda of the national convention to be held in Edmonton in June. Calgary was selected as the location for the next regional convention.

Take Iron Lung

NEW YORK, May 12.—(AP)—The United States coast guard cutter Duane delivered an iron lung to the army transport Thomas H. Barry in the North Atlantic yesterday to aid an ailing war bride, navy officials said here. The navy said the ship met about 90 miles east of Sable Island, off the coast of Nova Scotia. The cutter left Argentina, Nfld., last night.

Skyrocket Rips Into Pool Room

LONDON, Ont., May 12.—(CP)—Players, spectators and even the proprietor were behind the eight ball Saturday night when a huge skyrocket zipped through the door of a downtown poolroom. Except for a hasty retreat of customers, the manager reported little damage. Police are investigating.

FIRST CANADIAN WARSHIP SAILS AROUND CAPE HORN: Another interesting episode was added to the history of the Royal Canadian Navy when the cruiser, HMCS "Uganda," became the first Canadian warship to sail around Cape Horn. So that it might be said literally that "Uganda" had "sailed" around the Horn, the ship's company rigged three sails, one forward, one amidship, and one aft. Any help the 72,500-horsepower engines of the ship gave was merely incidental. During the passage, "Uganda" paused for her picture, taken from the ship's whaler. The sky was overcast but the weather was unusually mild and calm for this notorious stretch of water.

Ex-King Enters Exile After 46-Year Reign

By OSGOOD CARUTHERS

ALEXANDRIA, Egypt, May 12.—(AP)—Victor Emmanuel departed Sunday from an Italian cruiser and began his exile in Egypt, after almost 46 years as monarch of Italy.

THE ABDICATED head of the house of Savoy and his former Queen Elena were greeted by King Farouk, then were whisked by automobile to a guest palace.

The arrival was in dramatic contrast to the last visit of the Italian royal family to Alexandria in 1933, when the entire city turned out in a gala welcome.

The Italian crew lined up amidstships as Victor walked slowly past them, stopping now and then to talk to the men in the ranks.

He said quietly:

"FAREWELL TO YOU. You are the men I have loved all my life."

At the royal quay Victor and Elena, who was wearing a black veil, were greeted by King Farouk. The king did not accompany his guests to Antonides Palace.

A cordon of police lined the route from the royal quay to the palace, but the streets were almost deserted. The entourage was transported to the palace in a single black sedan.

Virtually the only other sign of honor to the former Italian ruler was an Italian flag which fluttered from Farouk's luxurious yacht in Alexandria harbor.

Farouk had issued orders that no reporters or photographers were to see Victor.

AN EGYPTIAN POLICE officer who watched Victor pass commented: "Look, now he is just a civilian."

Brush Hill Wins

Exclusive to The Edmonton Bulletin
VEGREVILLE, May 12.—In the opening game of the Eagle senior baseball league here Sunday afternoon, Brush Hill defeated Vegreville 16-0 in a nine-inning game. Vegreville made six hits in the game which was marked by numerous errors on the part of both teams.

Opens Garden

LONDON, May 12.—(Reuters)—Queen Mary today opened a garden of remembrance commemorating the fortitude of the people of London during the recent war in the churchyard of the bomb-gutted St. James church on Piccadilly.

Monkeyshines Lead N.Y. Cops A Merry Dance

NEW YORK, May 12.—(AP)—Three playful little monkeys led police a merry chase Sunday and in the end the officers gave up and the monkeys continued to play.

The three were among the 100 which escaped Saturday from the pet shop of Henry Trefflich in Lower Manhattan, and had a field day climbing over rooftops, romping through a fire station and a bar and grill and disrupting a church choir practice.

Trefflich said Sunday he believed all but three had been recaptured. Police thought the case was about cleaned up when they spotted three monkeys on a roof.

But the monkeys had other ideas and kept leaping about from roof to roof just ahead of the officers. After two hours, with the monkeys still fresh and spry, police gave up.

Protestant Padre Chief Has Retired

OTTAWA, May 12.—(CP)—Retirement of Honorary Col. J. Logan Venca of Ottawa, principal Protestant chaplain for the Canadian Army, was announced by defence headquarters last night. He will be succeeded by honorary Lt.-Col. C. G. Stone of Vancouver, Col. Gilles Presbyterian church in Ottawa.

Laski Says Labor Party Backs Reds

CARDIFF, Wales, May 12.—(Reuters)—Prof. Harold J. Laski, chairman of the British Labor party, in a speech here yesterday told those who say we have to choose between the Soviet Union and the United States—that we, the labor party, stand four-square behind the Soviet Union.

Wife and Child Beaten to Death

GRANT, Mich., May 12.—(AP)—A 35-year-old foundry worker, trapped by a tiny gold locket found on the body of his slain wife, readily admitted Saturday that he bludgeoned her and his four-year-old stepdaughter to death April 19 and buried their bodies in a lonely grave near here.

The locket, found when the bodies were discovered in the makeshift grave late Friday, gave police the lead that led to the arrest of Charles Gilbert, resident of a Muskegon Heights, Mich., trailer camp. Prosecutor J. Donald Murphy of Newagoy county said he would seek two first degree murder warrants against Gilbert on Monday.

GILBERT DECLARED that the double-killing climaxed an argument with his wife, Gladys, 28, over her alleged mistreatment of their children. He killed Karen Greenwood, her daughter by a former marriage, because "she could have told what I'd done," he said.

Gilbert said in a statement that during his own marriage, he had two children, Judy Ann, 2, and Margaret Kay, 12 months. On April 18, Gilbert's statement continued, he found the baby beaten black and blue by Mrs. Gilbert.

This angered him, he said, and "I planned to do just what I did."

Prisoner Escapes Saskatchewan Jail

PRINCE ALBERT, Sask., May 12.—(CP)—James W. Clarke, 32, serving a five-year term for manslaughter, escaped from the Saskatchewan penitentiary Sunday. His absence was noted at about 3:30. He had been working in the pigery, which is outside the penitentiary enclosure. Clarke, a prisoner stationed at Dundurn camp was sentenced in Saskatoon three years ago after a trial in which he was charged with the murder of a woman. He was reduced to manslaughter. He was accused of the "eternal triangle" knife-slashing of another soldier at the camp.

Royalite Continues Oil Deposit Search

CALGARY, May 12.—(CP)—The Royalite Oil Co., at its annual meeting, decided on a policy of continued oil exploration. Alexander Hamnah, K.C., is the new president succeeding P. F. Shannon who was recently transferred to New York. Vice-president and managing director is S. F. Heard, Vice-president is K. H. Houston of Turner Valley. Other directors are Dr. O. J. Hopkins of Toronto, chief geologist for Imperial Oil, J. Christie and A. C. Newton of Calgary.

Man Dead After Tennis Ball Row

SARATOGA SPRINGS, N.Y., May 12.—(AP)—Harry Rumpf, 32, died Saturday after an altercation with a neighbor over a tennis ball. Willard Conrad, 40, pleaded insanity to a charge of manslaughter. Conrad told state police that Rumpf had threatened to "break me in two" and that he (Conrad) had defended himself with a metal bedpost. The argument began when the men originated in a dispute between their children over possession of a tennis ball.

Asks Canadians Use Less Bread

QUEBEC, May 12.—(CP)—Survival of millions of human beings "literally depends on us," Justice Minister St. Laurent said Sunday in a speech prepared for broadcast over the CBC French National network. "By eating one slice less of bread each day, Canadians could increase by 1,000 calories daily the ration of 900,000 starving people," the minister said. "The reduction of meat consumption by one ounce per person would permit the shipment of 600 tons per week."

Make Human Hair Into Edible Spread

LONDON, May 12.—(Reuters)—Food containing elements from human hair collected from patients was tasted at a Hamburg hospital by Fenner Brockway, secretary of Britain's Independent Labor party, according to a statement he made Sunday on returning from a two-week visit to Germany. "It was like fishpaste and was served on fingers of toast," Mr. Brockway said. "As a result of this experiment Dr. Bamsi, head of the hospital, is asking that human hair be collected from all the hairdressers of Hamburg."

Ask City Workers Aid East Farmers

GUELPH, Ont., May 12.—(CP)—City workers will be asked to spend their vacations and holiday weeks ends helping harvest crops this year to help meet the acute food situation. W. H. Beck, Ontario deputy minister of agriculture, told a week-end meeting of St. George's Men's Club.

TO THOSE WHO NEED
MONEY...
for personal purposes

one reason
why

132,000 Borrowers
Preferred the
B of M
in 1945

There are a lot of reasons why 132,000 Canadians chose to borrow for personal purposes at the Bank of Montreal last year, just as there are a lot of reasons why we'll over a million people choose this bank as their depository.

Perhaps the most important reason is that, here at the Bank of Montreal, they can obtain personal loans at the lowest cost.

Nowhere can you borrow more cheaply or on more favourable terms than at the B of M. And nowhere will you find formality and red tape so cut away.

Because of the low cost, convenient terms, and the friendly, helpful approach of our people, you, too, will enjoy dealing with the B of M when you have need to borrow money.

A point to remember is: when you ask for a loan at the B of M, you do not ask a favour.
